Scientific Program

Time	Living Room ROATÁN	Time	Living Room COPÁN	Time	Living Room OMOA	Time	Living Room YOJOA
9:00 a 9:45 hrs	Theme: Importance of the Concept "Infection Pressure" in Controlling Paratyphic Salmonella and Avian Salmonella in Poultry Production. Speaker: Enrique Montiel Country: EEUU	9:00 a 9:45 hrs	Theme: Biomarkers importance for the Evaluation of Intestinal Health. Speaker: Wanderley Quinteiro Filho Country: Brasil	9:00 a 9:45 hrs	Theme: Microbiological Risk Assessment: The Importance of Quantification and Serotyping at the Process Plant Speaker: Fernando Sampedro Country: EEUU	9:00 a 9:45 hrs	Theme: Animal Welfare Applied to Commercial Promotion Speaker: Leonardo Tielo de la Vega Country: Brasil
9:50 a 10:35 hrs	Theme: Reproductive Health Program with a Focus Antibiotic-Free Chickens production Speaker: Algis Martinez Country: EEUU	9:50 a 10:35 hrs	Theme: Micromineral Nutrition of Hens Speaker: Alba Fireman Country: Brasil	9:50 a 10:35 hrs	Theme: Process Plant Interventions for Salmonella Control, as an Immediate Control Measure, in Cases of Increased Prevalence of the Pathogen in the Field Speaker: Marcos Sanchez Plata Country: EEUU	9:50 a 10:35 hrs	Theme: Advances in Breeding Technology Speaker: Winfridus Bakker Country: EEUU

10:40 a 11:25 hrs

Jack Bobo, CEO of Futurity Food

Could poultry farming contribute to saving the planet?

11:25 a 11:45 hrs  Coffee break

11:45 a 12:30 hrs	Theme: Deciphering the Mystery of Mycotoxins in Poultry: From Raw Material to Feed, Transport and Organ Toxicity. Speaker: Swamy Haladi Country: India	11:45 a 12:30 hrs	Theme: of Particle Size and Pellet Quality on Broiler Performance Speaker: Wilmer Pacheco Country: EEUU	11:45 a 12:30 hrs	Theme: Sexing In Ovo: A New European Reality Speaker: Leon Schouren Tea Key Country: Holanda	11:45 a 12:30 hrs	Theme: Precision Nutrition Speaker: Mario Penz Country: Brasil
12:35 a 13:20 hrs	Theme: The Importance of Food in Pathogen Transimision in Modern Poultry Farming: The Challenge of Antibiotic-Free Bird Production Speaker: Martha Pulido Country: EEUU	12:35 a 13:20 hrs	Theme: Production? Let's start in the incubator! Speaker: Guillermo Reyes Country: EEUU	12:35 a 13:20 hrs	Theme: Comparison between Different Forms of Whole Turkey Production Speaker: Luis Klein Country: Brasil	12:35 a 13:20 hrs	Theme: Alternative Protein Technology, Challenges and Opportunities for the Food Industry Speaker: Marvin Moncada Country: EEUU

13:25 a 14:10 hrs	ROUND TABLE: CHICKEN MEAT AND EGG SUBSTITUTES	Experts	
		Vincent Guyonnet	Jack Bobo
		Joe DePippo	Robin Horel

14:10 a 18:00 hrs Comercial Expo

Safety Workshop - Chicken

14:00 a 16:00 hrs

Risk analysis and use of pathogen data and indicators for decision making

Speakers:
Dr. Fernando Sampedro
Dr. Marcos Sánchez
